

TO CUSTOMER

We are here to help reclaim stolen or lost digital assets, ensuring you recover what belongs to you. Contact us today with unrivalled expertise and dedicated services to initiate the process and restore your cryptocurrency wealth.

Our Priority is Quality

Our priority is to help innocent people who have lost their cryptocurrencies online, to recover them in the shortest possible time and in the most cost-effective way.

OUR HISTORY

Melmac Solutions was initially set up to investigate suspected insurance fraud. Over the years and with the advent of digital theft of assets, we have expanded our capabilities to reach into most genres of investigation and our services have evolved with our clients' needs.

We find the facts that matter and deliver desired results.

STEPS TO FOLLOW

FREE CONSULTATION

We only accept claims that we are confident will provide a considerable recovery. Your time is as valuable to us as it is to you, thus we evaluate every case in a honest and transparent way.

SPEAK WITH OUR EXPERTS

Our team helps victims of cryptocurrency theft by tracking funds' movement using blockchain analysis methods and advanced techniques to recover their stolen or lost digital assets.

RECOVERY SOLUTIONS

Using advanced blockchain forensics tools, our specialized tracing service helps recover lost or untraceable digital assets. It helps identify the destination of lost funds and facilitates their recovery.

YOUR MISSION

Melmac Solutions is a progressive company focused on executing chargebacks and recovery of wealth/resources lost via internet scams and fraud. We noticed that with the growth and publicity of binary options, cryptocurrencies, and Ponzi schemes, innocent people have lost millions of dollars to malicious companies, hence, the birth of CP Investigation to help unfortunate victims get their money back.

YOUR GOAL

We are a trusted partner for recovering lost funds. Contact us and provide details about your case. Our team will analyze your case and tailor a strategy to maximize recovery chances. We prioritize client satisfaction and maintain strict confidentiality. Regain control of your finances with Melmac Solutions' expert service.

OUR VISION

With an established global network of agents, trained in forensic science and digital investigations, we are able to gather evidence from all legitimate internal or external sources. Reviewing large volumes of data to find the facts that matter is what we do.

Our vision is to have an enabling environment for cryptocurrency. We look to reduce to the barest minimum, the number of unrecovered monies lost due to fraudulent cryptocurrency schemes.
